

# Season's Greetings

As the holiday season fills the air with thoughts of good wishes and family and friends, Mayor and Council invites your family to the annual tree lighting with the community. Our annual celebration just wouldn't be complete without a visit from Santa and Mrs. Claus! Please join us for an evening of family fun that includes festive music, holiday trivia, light refreshments and a holiday craft for children of every age. Buzz and Woody from Toy Story, Spongebob Squarepants, Dora the Explorer, and Roller Roo from Deptford Skating and Fun Center, will also be on hand to help spread the holiday cheer.

Light refreshments and complimentary photos will be available. Children of all ages will be able to make a holiday craft. Each child will receive a complimentary photo with Santa and Mrs. Claus and a raffle ticket for a surprise gift\*.

\*Must be present to win.
