***NOTE: PLEASE BE PATIENT, THE SCHEDULE IS SUBJECT TO CHANGE DUE TO WEATHER CONDITIONS.**

- Please remember to keep leaves away from vehicles and not to park on leaf piles so leaf machines will have easy access to the leaves. Leaves must be placed at the curb free of any rocks, branches, twigs, dirt, pet waste, horse manure or other debris in order for them to be vacuumed up easily and not cause damage to machines.
- Leaves not put to the curb for pickup during this scheduled leaf pickup will have to wait until the beginning of the Spring Clean Up Program or our Yard Waste Program to be picked up.
- Please note that our Yard Waste Pickup Program runs all year. Yard waste debris such as grass, flowers, plants, small limbs, and "leaves" are required to be placed in containers or biodegradable paper bags at the curb for pickup.
- Loose leaves placed at the curb, instead of in cans, will only be collected during our scheduled leaf collection programs.

Reminder:

- No Plastic Bags
- No Sticks Or Other Debris
- Place Leaves At Curblines

Zones:

As noted below, each "Zone" includes several areas & developments, each with varying amounts of leaves. We will be in each zone three (3) times. Each zone will be completed before moving to the next zone. **Every effort should be made to have leaves at curbside before the first day of each scheduled visit to ensure timely pickup. Your cooperation is greatly appreciated.**
